

2022 Catholic Relief Services Rice Bowl Grant Program

Application Criteria and Guidelines

The CRS Rice Bowl Grant program is sponsored by the local office of Catholic Relief Services (CRS) for the Diocese of Oakland. Funds for the grants come from the Lenten Rice Bowl program of prayer, fasting, learning and giving which is conducted in Catholic parishes and schools throughout the diocese each year. Seventy-five percent of the money raised is used by CRS for international humanitarian projects in developing countries, and twenty-five percent is kept locally, most of which is distributed within the diocese for local hunger alleviation programs.

Please follow the guidelines below when submitting your application:

1. Local Rice Bowl funds will be allocated to food programs such as soup kitchens and food pantries that are responding to hunger and food insecurity.
2. Rice Bowl funds will also be allotted to programs, projects or organizations that address the root causes of hunger, i.e., projects dealing with economic development, anti-hunger advocacy and organizing, etc.

Priority for funding will be given to programs and organizations that both provide food or other resources to alleviate hunger and address the root causes of the problem.

3. Priority for Rice Bowl funds will be given to programs, projects, or organizations that are supported primarily by community-based funding, such as from churches and small individual donations.
4. Grants are made on an annual basis and do not imply subsequent years of funding.
5. Those programs, projects, or organizations that receive Rice Bowl funds will be asked to submit a simple written report prior to being considered for funding the following year, explaining how the grant money was used.
6. Only programs, projects or organizations located in the Oakland Diocese (Alameda and Contra Costa Counties) will be considered for funding.
7. Organizations' activities must be consistent with Catholic moral and social teaching and with 501(c)3 rules regarding partisan political activity.
8. Only in certain circumstances may Rice Bowl funds be used directly for salary expenses – such a proposal must be discussed with the Catholic Relief Services Diocesan Coordinator.
